large gangs of men are now pushing impartial inspection.

I introduced my colleagues to Mr.

worth, for Infirmary Director.

-Although we never indulge in the "lazury" of smoking or chewing, we presume there are many in this vicinity who are so unfortunate as to be able to and this class may find themselves occasionally in the goodly city of Dotroit. To all such we would mildly suggest that if you have any intention of "breaking of," don't be persuaded to digars and tobacco to be found at the establishment of Mathews, Wilson & Where, 2lf Jefferson Arenne, for we fear that this, and the genial smiles of Mr. Albert Wher, a member of the firm, formerly of Mahoning Connty, would badly shatter your good resolve.

Of more than ordinary intelligence, and we all thought, quite fair minded, stating that be had been discharged. There we not missioners we other owners or operators of the mine around, so far as I knew, or we certainly would have taken their testing that be had been discharged. There were no one of the mine around, so far as I knew, or we retainly would have taken their testing that be possible that on the Saturday following, the Commissioners would be at the Tod House, in Youngstown, to take testimony from them. If S. will send me his name, and dealires to give any testimony or wishes that this, and the genial smiles of Mr. Albert Wher, a member of the firm, formerly of Mahoning volutions will be in the Mahoning Valley again in the course of the Monntain. —Post Mountain died in Hartford, Auch Gountain the died in Hartford, Auch Gountain the Mountain died in Hartford, Auch Gountain the Guntain the Guntain the Hobanit Shoes at Mel Correct, Which had produced falling health, for a internal tumor, which h
